\$102,100 Budget Set for 1947-48 High School Year

The annual budget for operating the Antioch Township High school was adopted at a meeting of the school board Wednesday evening, with the total figure of more than \$100,000, broken down into \$79,000 for educational expenses and \$22,500 set aside for the maintenance and operating of the building and grounds.

Principal T. R. Birkhead explained today that although the levy adopted would provide only about \$87,000, that other sources of income will make up the balance of the money needed. The federal government pays a part of the salaries of vocational teachers and other sources of income include money for tuition students and a flat sum from the state distributive fund.

Money from the state for part of the cost of the bus transportation will not be forthcoming until after the first year of actual operation of the buses.

The public hearing held prior to the adoption of the levy was not attended by any persons except members of the board. This speaks well for the job being done by the board. Walter K. Hills, president, Mrs. Lester Osmond, secretary, and Ernest Glenn were the only board members present at the meeting.

Antioch Gridders to Play Warren High in Opener; Lose to Zion-Benton

Sequoits Drop First Game Here Friday Night By 20 to 0 Score

It took a 20 to 0 defeat at the hands of Zion-Benton High here last Friday night for Antioch High to discover its weak spots and to prepare for this week's game tomorrow afternoon at 3:30 at Warren Township High in Gurnee.

The game tomorrow will open the season for Warren.

"I'm about trying to match our small school against big high schools such as Zion with their wealth of material, for I feel we are asking too much of our boys," said Coach Maurice Kruzan, in reflecting on the game.

The lack of weight and experience placed the Sequoits at a handicap, but the crowd of 1,100 people who saw the game are of the opinion that the local boys did a good job under such handicaps, and they are backing them for the rest of the season.

Ridenour Causes Defeat
Big Fritz Ridenour, 196-pound sophomore fullback of Zion, averaged eight yards on each gain and reeled off a total of 105 yards from scrimmage. He scored the opening touchdown in the first quarter on a 35-yard run in a play off tackle.

Oliver Wright, Zion half-back went 25 yards for a touchdown in the third quarter after Antioch fumbled. In the final quarter an intercepted pass paved the way for the Zebees third and final touchdown, LaBelle going over from the one-yard line on a quarterback sneak. Two of the three Zion-Benton goals were kicked.

Kruzan said that Presley Bratrud will be back in the lineup at quarterback tomorrow and the team will be stronger than when it played Zion-Benton. He is not forecasting a victory tomorrow but believes thereafter barring accidents the Sequoits will tuck several scalps under their belts.

Some of the alumni have been battling against the varsity in practice games this week.

The lineup last week was:

Antioch	0	Zion	20

Second Golf Tournament Of Lions Club on Monday

The second Lions club golf tournament of the summer will be held at 1-p. m. Monday at the Chain O' Lakes golf course.

A dinner which members of the club and guests will attend will be served at the club house at 7 p. m. The meeting will be purely social and no business will be transacted. The directors of the club met Monday in completing matters concerning the carnival.

Jack Wolff Escapes Serious Injury in Bad Wreck at Nielsen's Cor.

Jack Wolff, employed at Herman's resort at Bluff lake escaped serious injury last evening when his Ford coupe ran into a trailer of a truck driven by George Wolf of Grass Lake in front of the Chris Nielsen farm on Grass Lake rd.

Jack was returning home from a northern trip to Michigan and in driving west near Nielsen's corners was blinded by the setting sun so that he did not see the trailer. As the result his car was forced off the roadway and upset. He was pinned inside.

The Antioch Rescue squad was called and they were able to help him out of the overturned car. He was merely cut and bruised and they gave him first aid.

The two parties in the accident are unrelated, their last names being spelled differently.

Legion Auxiliary Chooses Delegates and Alternates

New delegates and alternates were elected by the Legion auxiliary Friday evening in a meeting at the Legion hall attended by 16 auxiliary members.

The delegates are Mrs. Lucy Hillman, Mrs. Walter Hill, Mrs. John W. Horan, Mrs. W. A. Byron, and Mrs. Trudy Nelson. The alternates are Mrs. Otto Klass, Mrs. Anton Johnson, Mrs. Louie Horton, Mrs. Alma Harden and Mrs. F. A. Swenson.

Mrs. John Horan was introduced as the alternate district director of the tenth district.

Mrs. Al Swenson announced that she and her committee, Mrs. Horan and Mrs. Ben Miller had purchased material for 23 pairs of drapes, and 100 rods for them. Six pairs already have been made. They are to be taken to 2002 South McIntyre barracks at the veterans hospital, Downey, Ill.

Purchased by the auxiliary the drapes are being made at the home of Mrs. F. A. Swenson. Her assistants are Mrs. Harden, Mrs. Louise Kaufmann, Mrs. Horan, Mrs. Hill and Mrs. Miller. They hope to have all drapes finished by next week.

Eleven members attended the tenth district installation at the Gurnee Legion hall Wednesday, Sept. 10. A dinner was served before the meeting.

Those making the trip were Mesdames Louis Van Paten, Anton Johnson, Frank Kennedy, Alma Harden, John Horan, Walter Hill, Lucy Himen, W. A. Byron, Nellie Hanke, Trudy Nelson and Margaret Roof.

Two Local Women Hurt In Auto Collision at Wadsworth, Rt. 41 Rds.

Mrs. Walter Sorenson, of East Shore Garden is at the Condell Memorial hospital recovering from a fractured knee cap and extensive cleavage of the flesh of the legs, and Mrs. Eva Blumquist, a neighbor, is under the care of a physician as the result of an automobile accident last Thursday.

The two women were on their way home from Waukegan and at the intersection of Wadsworth rd. and Rte. 41 their car, driven by Mrs. Sorenson was struck by a fast moving car.

Both women were thrown out of their car by the impact. A truck turning onto the Wadsworth rd going east kept the drivers from seeing each other.

Sheriffs deputies took the two women to St. Therese hospital and Mrs. Sorenson was later taken to the hospital at Libertyville, and Mrs. Blumquist was taken home. She has a badly skinned back.

Mr. Sorenson is employed at the Chevrolet garage in Antioch.

District Convention of American Legion Here To Start with Parade

Champion North Chicago Drum Corps and One-Man Band To Take Part

The crack Sharvin Post drum and bugle corps from North Chicago, and Jerry A. Havelka, famous Fox Lake one-man band will headline the American Legion district convention parade here tomorrow, Friday evening.

The Antioch post will be host to the posts of Lake county in the first meeting in which the new district officers will have charge.

The parade will form at the grade school building at 8 p. m. and besides the visiting musical organizations the Antioch drum and bugle corps, the 40 and 8 engine, and the Fox Lake comic auto will take part.

The line of march will be to the Legion home where the monthly district meeting will be held, starting at 8:30 o'clock.

The meeting comes at a time when Antioch and Fox Lake posts are engaged in a membership contest which will end Oct. 10. Fox Lake probably will be represented at this meeting.

William Dowden, district commander, expects to announce the district directory that was set up by district officers and post commanders last week.

The Legion auxiliary will have charge of a luncheon that is to be served to the visitors at the conclusion of the three-hour session.

Gerald Fitch, assistant contact officer of the Veterans Administration in the regional area, and Ray Gunther, contact supervisor in the regional office, Chicago, will be presiding at the district meeting and give short talks. They have been obtained for the occasion through Henry J. Swanson, contact officer.

August Milk Prices for Producers Are Lower on Basis of Butter - Cheese

Class prices of milk delivered during August 1947 for the Chicago milk marketing area were announced today by A. W. Colebank, Administrator of Federal Order 41.

The prices are \$4.154 per hundred-weight (8.9c per quart) for Class I milk, \$3.774 for Class II milk, \$3.454 for Class III milk and \$3.441 for Class IV milk.

The basic formula price used in determining the Class I, Class II and Class III prices for August 1947 was the butter-chese formula. The average price paid by the eighteen condenseries for August was \$3.324 per hundred-weight of milk.

The August Class I, Class II and Class III prices are 29.8c higher than in July but 27.9c less than a year ago. The Class IV price is 28.5c higher than in July but 12.2c less than August 1946.

Class I milk refers to milk used for fluid consumption, buttermilk and flavored milk drinks; Class II is milk used for cream, ice cream and cottage cheese. Class III is milk used in the manufacture of evaporated and condensed milk products; and Class IV is milk used in the making of butter and cheese.

The Class IV price in the Chicago federal milk marketing area is based upon the average price per pound of 92-score butter during the delivery in the Chicago wholesale market and the price per pound of non-fat dry milk solids for human consumption, f. o. b. plants in five states in the North Central Area. In August 1947, 92-score butter at wholesale in Chicago averaged 74.79c per pound; spray and roller process dried skim milk for human consumption, f. o. b. plants averaged 9.3c per pound.

Lester Zoellner Injured in Football Game Tues.

Lester Zoellner, a sophomore at Antioch High school, suffered a slight concussion in an accident during a football game between the Frosh-Soph teams of Antioch and Grant Tuesday afternoon at the local high school gridiron.

Zoellner was taken to Victory Memorial hospital for observation after being examined by Dr. L. L. Breakstone at the field, and although the injury was believed to be slight, it was thought to be advisable to hospitalize him. He will be released from the hospital Friday.

Markings of Pre-Historic Beaver Found in Channel of Sequoit Creek by Dredgers of Charles Ackerman

For a number of years contractor Charles N. Ackerman has been digging up pre-historic articles from the beds of the lakes around Antioch.

This week his big dredge operating on Sequoit creek one-quarter of a mile west of Highway 59 on Rte. 173, brought to the surface some wood that bore teeth marks of a beaver that existed perhaps 20,000 years ago.

Samples of the same kind of markings were taken to the Field museum in Chicago by Ackerman 17 years ago. Archaeologists there are of the opinion that the teeth marks in the logs were made by a kind of beaver, the skull of which has been found in the east, and which grew to the size of a St. Bernard dog.

Ackerman has dug up numerous beaver dams and the dredging of the channel this week brought up buckets of wood from one of the dams. He is unable to tell the size of the dams, but some are known to have

been a hundred feet long and to have raised water as high as 15 feet.

The local man said he believed that the wood brought up this time was down about 12 feet.

The wood is spongy to the point of being almost like jelly. If allowed to dry it will become like powder. He keeps a sample with beaver tooth markings in water to preserve it. The marks are quite broad, giving evidence that the animal was large.

Older residents of the region say there were many beavers in this area at one time. The beaver is said to be melodic in his work. The leader marks the trees for cutting as though he were a foreman on the job, and the crew of workers then starts in like good union workmen, they all quit work at the same time, limiting their time during a day.

Ackerman said he has never yet been fortunate to find the skull of one of the giant beavers, but he hopes to some day.

Chicago Youths Prowl Grass Lake Rd. Houses

Two young Chicago boys were taken into custody by the Lake County sheriff's deputies after they broke into two Grass Lake rd. homes.

They first entered the home of Mrs. Ida Shunnesson Tuesday evening and took a radio. Then they went next door to the home of Mrs. Tillie Matson and made themselves at home, sleeping in her bed and drinking pop which they found. They awoke Wednesday morning to find themselves under arrest.

Fifty-three Give To Rescue Squad Fund in This Week's Donations

The Lions Club Rescue Squad fund committee listed 53 additional donors to the fund this week. Individuals, families, and business places all contributed. The committee is hoping that the donors will be as liberal as possible so that the goal can be reached more rapidly.

These donating to the fund this week are:

Arthur C. Anderson, Chas. Anderson, Mrs. Elizabeth Anzinger, Henry Atwell, Michael Cappola, Antioch Shoe Service; Cervenka's Grass Lake Food Mart, Bruce Dalgard, Joseph Dorato, Edw. P. Relatives of Deceased Veterans May Obtain War-II Victory Medal

Next to kin of deceased veterans now may obtain the World War II Victory Medal, Arthur G. Adams, Illinois Veterans Commission officer for Lake County, announced today.

Application for the medal may be made at any Army or Navy recruiting station or at any office of the Organized Reserve, Veterans' organization also are assisting in distribution of these medals.

Only proof of eligibility necessary is the letter of notification of death. No notarized statements are required.

The next of kin is defined in the rules for distribution of these medals as the first of the following living relatives: Widow or widower, eldest son, eldest daughter, father, mother, eldest brother, eldest sister, or other relative.

Mr. Adams also pointed out that living veterans may receive the World War II Victory Medal by merely presenting their original discharge to the sources of distribution.

Referendum Date Will Be Set By Board on Monday

Bond Issue For Fire House To Be Carried To The Antioch Voters

A special session of the village board has been called for Monday evening at the request of George McGaughey, village attorney, to set a date for a referendum on the question as to whether bonds shall be issued to finance the construction of a new fire house. The amount of issuance also will be decided upon.

The board has advertised for bids on the construction of the building but because the cost will be more than originally anticipated, the bond issue will be necessary if one is built.

Bids For Sewage Plant

The board this week is advertising for bids on the improvement of the sewage disposal system. The bids are to be received before 8 p. m. (CST) on Oct. 9, and opened at that time.

It is estimated that the cost will be in the neighborhood of \$18,000. After the bids are received and the contract let, revenue bonds will be issued to pay for it. The bonds will be paid off from the income assessed on both sewer and water.

Improvement of the sewage treatment works had been demanded by the state health department which has given the village until this fall to complete it.

Plans Are Being Made Early For Halloween

Although Halloween night is more than a month away Antioch merchants are preparing for it in the way of an organized program.

Charles Schroeder of the Antioch Shoe Service has in the past given prizes for the most artistic soap decoration on his business window. The idea has been so popular that he is now inviting other merchants to join him because his window isn't large enough.

Merchants who are willing to lend the use of their windows and give prizes are asked to notify him, or the Antioch News.

Principal Richard Whitacre of the Antioch Grade school will handle details of the contest.

Fred B. Swanson, owner of the Antioch theatre plans to carry on tradition by admitting the grade school children to the theatre Halloween night free of charge where prizes will be offered for the best costumes.

"I want to carry on this traditional event as long as I have breath," said Swanson.

The children compete within school grades and girls and boys separately.

Mrs. Otto Klank Dies At Woodcrest Cottage After Brief Sickness

Mrs. Marie Klank, 67, a summer resident in the Woodcrest subdivision on W. Channel lake for 20 years died at her summer cottage on Oak St., there at 5 a. m. Monday following a cerebral hemorrhage.

A call to the Antioch Rescue squad for an inhalator was sent when Mrs. Klank was found unconscious and short of breath late in the night, but members of the squad found that she had a low pulse and sent for Dr. N. Deering. He found that she had suffered the hemorrhage and a short time later pronounced her dead.

Mrs. Klank was the widow of Otto Klank whose death occurred last December. She had failed in health since his death and had been under medical care. Her son, Harold, and his family from Chicago had been spending the summer and weekends with her. He and his sister, Mrs. Florence Nolan, of Chicago, survive as do a sister and two brothers of the deceased.

The family resides at 2429 Newland Ave., Chicago, and the funeral service will be held at 2 p. m. Friday at the Ringard funeral home 6903 Fullerton Et.

Socialism is Inefficient

One characteristic of socialism is its inefficiency. The best current example of that at present is England, where the Labor government has been attempting to make the enormous transition from a free enterprise system to a socialistic system with unusual speed. The result has been a severe decline in production. The British mines are producing less and less coal—and for the first time in her history, England is having to import coal from us. The British mills are producing less steel. The threat of immediate socialization is a damper on the British electric industry. And the output of export commodities, which was depended upon to revitalize England as a financial power, has been far below the forecasts.

This inefficiency is implicit in the socialist system. First of all, socialism destroys initiative—what rewards there are go to the state, and the best the individual can hope for is a political job. Second, socialism depends upon the use of force of one kind or another to achieve its ends. Labor is compelled to accept a certain kind of employment whether it wants it or not—and the man who works under compulsion never does his best. Third, socialism ties up all the energies of the country in an impenetrable jungle of rules, regulations, red tape, priorities, ration schemes, and so on. Again, initiative is smothered.

We hear much of Russian production. But here, again, it is the result of mass effort—an unlimited supply of slave labor with an incredibly low standard of living. Judged by any American standard, Russia is abysmally inefficient.

Only under free enterprise do we attain maximum efficiency, the maximum standard of living for all—and, most important, maximum freedom for all. That is the one fact Americans must never forget when schemes for further government ownership of industry are presented here.

Business For All

There is always a good deal of talk concerning the relative virtues of "big business" and "small business." One important and frequently overlooked aspect is that small business is often the training ground for big business executives—and that, conversely, training received in big business often enables a man to start a

small business and make a go of it.

This is particularly well illustrated in retail merchandising. The "big businessmen" in retailing were almost all "little businessmen" in the past. The major chain systems all developed from small stores. And the largest department stores, for the most part, were once little outlets run by one or two people.

Again, many men and women have gone to work for large retail stores in minor capacities, have gained the desired experience, and then have opened their own stores and prospered. Of late, a legion of veterans have been learning in this fashion, and it is to the credit of the retail industry that established chains and independents willingly provided a training ground for men who will be their competitors in the future.

America has been a country where small business, under efficient and intelligent management, becomes big business—and where the big business that is too lethargic to move with the times gradually becomes small business and eventually goes out of business altogether. That kind of opportunity, and the economic system which makes it possible, must be perpetuated.

The Pay Envelope

No theory has been more thoroughly exploded than the argument that higher wage rates need not be reflected in the selling cost of commodities. Since 1939, the wholesale prices of manufactured goods have risen 78 per cent. That corresponds almost exactly to the increase in wage costs since 1939—73 per cent.

The theory might have had validity had it included the stipulation that production per man hour rise along with wage costs per unit of production. But that has rarely been mentioned by the labor economists—with one or two distinguished exceptions. On the basis of the latest available figures, production per man hour is only about 12 per cent better than in 1939, despite that 73 per cent increase in wage costs. And production per man hour is under the 1941 level.

There is only one real arbiter of prosperity—and that is the amount of goods the people can buy. It is obvious that doubling the number of dollars in a pay envelope does no good if each dollar will buy only half as much. In the past, we managed to hold down prices even as we raised wages because workers and management steadily increased output per man hour. We are now seeing what the reversal of that does to the wage-price structure.

So far, pay increases for most workers may have offset the price increases. But if inflation ever gets the bit thoroughly between its teeth, the purchasing power of everyone will decline catastrophically. The solution is more output to offset the record wages paid in all industry today.

Browsing through the old burial acres of Northern Illinois, we were caught by the charm and beauty of the simple, sometimes crude tombstone artistry. Realizing that this stone art is passing, we selected some of the symbolic images and designs for our story which is another in the historic landmark series. The irregularly spaced lines with unexpected capitals and occasionally misspelled words accompanying the stone imagery are also fading. Many of the couplets and quatrains are completely illegible. As these old sentiments disappear, epitaph-hunting grows. We found one marker which bears only two words. We found another headstone which says that the man beneath it "Was the Victim of a Dishonest Woman." The lengthy message on a stone placed in 1847 over a man "buried in a well" tells the circumstances in rime. We jotted down these and other epitaphs in OUR LANDMARKS for those of our readers who collect them.

Animals Need Water
 The average cow requires 33 gallons of water a day for watering, cleaning and sterilization, a total of 12,000 gallons per year. Below that amount, milk production may fall 10 to 20 per cent. A hundred laying hens require 10 gallons a day or 3,600 gallons per year. With-out it egg production may be off 8 to 10 per cent.

"Here comes MORE service!"

Wherever you go these days you see Illinois Bell men working. Yes, thousands of men are busy improving and expanding your telephone service. Ultimately it will mean more speed, accuracy and reliability on your calls. Our installers are putting in telephones at the rate of more than 1,000 every working day—in a constant race against the continuous flow of new applications for telephone service. Fourteen new buildings and 32 additions to present buildings are now under construction, and in 1947 alone we're adding nearly half a million miles of wire and installing almost 1,000 switchboard positions. The factories of Western Electric Company, our supplier, are humming day and night to provide us with the thousands of items we need. The job is big, but we mean to keep at it until it is finished; until we can say: "Here's your telephone service—even finer and faster than ever before, with enough for all who want it!"

LAKE VILLA

Rev. Dixon has announced "Have the Bricks run short," as topic for his sermon at the Community church next Sunday.

The choir was back in place for last Sunday's service at the Community church after a short vacation while the organ was being repaired.

The Sunday school of the church was represented at a Crusade rally at Evanston on Wednesday evening.

The Woman's Society met at the Village hall on Wednesday afternoon this week with Mrs. Leo Barnstable and Mrs. Lloyd Barnstable as hostesses. The ladies are planning on sending a group from the society to the annual Harvest Home festival at Lake Bluff orphanage on Friday this week. Later on they plan to send canned fruit and vegetables to the orphanage, and if you have such to contribute, please contact any of the Society.

Mrs. Blumenschein left Tuesday for South Bend, Ind., to spend a few days with her son, Gordon, and family there.

Mr. and Mrs. Fitzgerald who have operated the tavern and restaurant on corner of Rt. 21 and Grand Ave., have sold their business to Mr. and Mrs. Church.

Mrs. Anna Nader has been visiting her daughter, Mrs. Anna Almquist, and family at Chippewa Falls, Wis., during the past two weeks.

Mrs. Dorothy Lindemann and two daughters, of Chicago, were guests of her sister, Mrs. Gunnarson at Venetian Village last week.

A public card party will be held at the Millburn Masonic temple on Saturday, Sept. 20 at 8 p. m. Bridge, 500, pinocle and bunco will be played. Mrs. Allan Johnson is chairman of the affair.

Miss Lenore Praller, Mrs. Edythe Lawler, Miss Marie Handschuh, also Mr. Earl Joachim, all of Chicago, were guests of Mr. and Mrs. Paul Avery, Jr., over Saturday and Sunday.

Mrs. Al Boehm, her daughter, Kathryn, her mother, Mrs. Kate Manzer, of Lake Villa, and Mrs. Avis Burke, of Libertyville, are on a vacation trip East, to visit Niagara Falls, also other interesting places in Canada and eastern states. They left last week to be gone two weeks.

Mrs. Walter Sorenson, of East Shore Gardens, was injured in an automobile accident late last week and is in Condell hospital at Liberty-

vill, recovering from a fractured knee cap and other injuries.

Mrs. Marie Kelly and son, Edward, of Waukegan, were guests of Mr. and Mrs. Blumenschein last Sunday. Edward has only recently returned from San Francisco, where he attended a Youth Conference of the churches of U. S.

Mr. and Mrs. Gene Anderson visited relatives in Chicago over Saturday and Sunday.

Miss Laura Reinebach, of Chicago, spent Saturday and Sunday with her brother, Carl Reinebach, and wife.

Mrs. Mayme McLaren, who, we reported earlier, had returned to her home in Florida, left last week by

plane for her home, and her daughter, Marjorie, and husband, of Chicago, visited her at the Riney home.

Sacred Bull

In Egypt the bull was so sacred that its birthday was celebrated and after its death it was mummified and buried in rock-tomb, according to Encyclopaedia Britannica.

Consumers More Choosy

Now that supplies are more plentiful, consumers again are becoming more selective in their buying. In the case of fresh vegetables, they are insisting upon quality produce.

Aid to Cleaning
Soak discolored glass cooking utensils in lukewarm water and wash with soapuds. A little baking soda added to the soaking water will help loosen the food. If some brownish stains remain, rub with dry baking soda. Using rough scouring materials may mar the surface. These places may develop into cracks.

"Know Your War Trophy" Safety Program Launched

In an effort to reduce the toll of death and injuries caused by dangerous war souvenirs, the President of the United States stated recently: "It has been brought to my attention that the War, Navy and Treasury Departments and the National Rifle Association have joined in a campaign of instruction to prevent the loss of life and destruction of property resulting from the possession of explosive-type war souvenirs. One need but scan the papers to see that such a safety program is badly needed."

"The problem is primarily one of education. It is regrettable that a step of this kind was not taken after past wars. This neglect has cost us thousands of lives and millions of dollars."

"The Government agencies and a non-profit sportsmen's organization have banded together in a public service. I trust the public will hear them—and heed."

To effect the objectives of the President's proclamation, War Trophies Safety Committees have been formed throughout the United States. The members of the local Committee are: Colonely John J. Breen, U. S. Army; Captain R. A. Cofer, Jr., U. S. Navy; Thomas Bailey, Investigator in Charge, Alcohol Tax Unit, Treasury Department; and Francis W. Parker, President of the National Rifle Association.

The Committee explained today that the servicemen's enthusiasm for souvenirs has resulted in the importation of thousands of explosive war trophies. These souvenirs include shells, mines, grenades, booby traps, machine guns, sub-machine guns, rifles and pistols of all descriptions.

The handling of these souvenirs by children and persons not familiar with their proper use has resulted in many serious accidents. Hardly a day passes that newspapers do not report accidental killings by guns whose owners report that they didn't know it was loaded. Colonel John J. Breen, Army Ordnance Officer, warned veterans that war trophies containing explosives may remain a hazard in the home for years and that some explosives actually become more dangerous the longer they are kept. Francis W. Parker, President of the National Rifle Association, one of the nation's best known firearms experts, pointed out that many firearms, if used with ammunition not intended for that particular weapon, may kill or maim the shooter and that improper assembly of many foreign weapons may result in shooting accidents.

Lake Villa Community Church Will Conduct "Improvement Drive"

An "Improvement Drive" through which the Lake Villa Community church will raise money to renovate the church building will be under way by Oct. 15, the Rev. Dwight Dixon, pastor, announced yesterday.

The organization hopes to raise enough money to redecorate the sanctuary, basement and kitchen. The church already has installed an oil furnace and improved the side walls of the church, and placed a new ceiling in the sanctuary, but more needs to be done to complete the requirements.

Mr. Dixon said that requests for donations will be sent out to members and friends of the church and a personal canvass may follow.

HICKORY

Mr. and Mrs. Russell Edwards and daughter, Miss Shirley, of Waukegan, and Raymond Wells were guests of Mrs. Welton, of Waukegan on Sunday for dinner at the Colony House, near Rock Lake. In the afternoon they visited the Curtis Wells family. Mr. and Mrs. Marvin Ocheltre, of Kenosha, were visitors at the Fred Leable home on Sunday afternoon. Also callers at the Kenneth McNeil home.

Jerry Hunter is home from the Libertyville hospital. He left Friday afternoon and stayed at the Nothing home until Sunday. George Handley and his aunt, Mrs. Lillian Robbins, of Chicago, called at the Will Thompson home Saturday evening, on their way home from a day at S. J. Handley home in Antioch. Mr. and Mrs. Harrie Tillotson and Mrs. Will Thompson visited Jerry Hunter at the hospital in Libertyville Thursday afternoon. Later they called on Mrs. Frank Vickery at Mundelein.

Bus Route From Kenosha Through Zion, Antioch To Rockford Now Sought

Members of the transportation committee of the Antioch Lions club met Monday evening with representatives of a bus company which is seeking a franchise to operate bus service between Kenosha, Wis. and Rockford, Ill., by way of Zion and Antioch over Rte. 173.

The committee represented by Dan Boyer, C. K. Anderson, and William Rosing approved the project, and Deputy District Governor Fred Oschmann and James Horan, of Antioch, members of the local club, attended the hearing before the Wisconsin Commerce commission Tuesday testifying in favor of the service.

Undulant Fever
Dr. Grace A. Beal of University of Chicago has discovered an antibiotic which may be a remedy for undulant fever, a disease which farmhands may contract from infected cattle and pigs. The new antibiotic comes from a mold. It probably belongs to the aspergillus group, which was found in the soil of an enclosure in which there were cattle that were infected with undulant fever germs.

Better Lighting
The initial cost of fluorescent light fixtures is higher than regular electric bulbs, but you get more light. For instance, you get from two to three times as much light from a 40 watt fluorescent bulb as you do from a 40 watt regular bulb. New fluorescent lights will come in color.

Should Be Chesty
The northern sea otter cracks shell fish on a stone held against its chest.

Raymond Ohlgren Gets Secor Scholarship at University of Illinois

Urbana-Champaign, Ill. — Raymond Ohlgren, Box 14, Antioch, Illinois, has been awarded one of ten special scholarships announced today at the University of Illinois. He will receive one of the Secor Memorial scholarships, which is among the special U. of I. scholarships set up by individuals or organizations to provide funds either directly or through income trusts.

In addition to special scholarships, more than 2,000 tuition-free scholarships to the University are available through action of the state legislature and the University Board of Trustees. Most of these are awarded by annual examinations. The legislature has also provided that any veteran of World War II may attend the University without payment of tuition.

STATE OF ILLINOIS

COUNTY OF LAKE

Public notice is hereby given that I, Guy O. Lunn, County Treasurer and ex-officio County Collector of Lake County, in the State aforesaid, will apply to the County Court of said County on Monday, the 29th day of September A. D. 1947, for judgment against the lands and lots mentioned and described in the following list of delinquent lands and lots for the general taxes and personal property tax attached thereto for the years 1910, 1911, 1912, 1913, 1914, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, and 1946, together with interest, penalties, and costs due severally thereon, and for special taxes and special assessments due for the years 1914, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, and 1946, together with interest, penalties, and costs due severally thereon, and for an order to sell said lands and lots for satisfaction thereof. Public notice is also hereby given that on the second Monday of October, to wit: on the 13th day of October A. D. 1947, all the lands and lots for the sale of which an order shall be made, will be exposed to public sale in the County Court Room, in the building where said County Court is held in said County in the Court House at Waukegan, in the said County, for the amount of taxes, special taxes, special assessments, interest, penalties, and costs due severally thereon, except such as shall have been paid at said time of sale. Said sale shall commence at 9 o'clock A. M. Central Standard Time, on the 13th day of October and to continue from day to day, until the same shall be completed and if for any cause such judgment shall not be rendered on the said 29th day of September, then such sale will be made on the second Monday after such judgment shall be rendered commencing at 9 o'clock in the forenoon of such second Monday.

Costs on each tract or description of land 26 cents; on each lot or description of lot 10 cents. Also interest at the rate of 1 per cent per month will be added after July 1st on the first installment and September 1st on the second installment.

MILLBURN

Rev. L. H. Messersmith has chosen "America's Opportunity" as his sermon topic for Sunday, Sept. 21.

Millburn Grade school with an enrollment of 35 pupils in grades 4, 5, 6, 7 and 8 organized a school club Wednesday afternoon, Sept. 10. The organization will be called "The Young American's Club" and meetings will be held the second and last Friday afternoon of each month. Dues will be ten cents a month and the duties of the club members will be to take part in Community affairs to raise money for school advancement. The following officers were elected, Fred Swanson, president; Ronnie Meyer, vice president; Joe Pechulis, secretary; and Bob Wainio, treasurer. At the next meeting a school council will be organized to attend to any school problems which may arise during the school year. The first activity of the club will be a Hobby show, to be presented some time in November, details of which will be announced later.

Marilyn Herman, Reporter.
There will be a public card party at the Masonic temple Saturday evening, Sept. 20, at 8 p. m. Bridge, 500

NEAR ANTIOCH
120 acre estate on Voltz Lake, 3 miles northeast of Antioch, Ill., will be sold at
PUBIC
AUCTION
On the Premises
SATURDAY, SEPTEMBER 27, AT 1:00 P. M.

This is the ideal estate for some retired professional or business man. 120 acres in all, comprising the east half of Voltz Lake, with approximately 24 miles of lake frontage. 40 acres of choice timber land running to the lake, the balance gently rolling, fronting lake, and in a high state of cultivation. The main residence, strictly modern, with south and east exposures, has 14 rooms with 4 baths and powder room. Living room 20x30 canvas painted and stenciled. Dining room 18x23 with French doors. All fully carpeted. 9 bedrooms. Large modern kitchen 2 fireplaces. Walls, ceiling and roof fully insulated. Full basement with steel beams, automatic heat thermostatic control. Recreation room with shower and toilet. All plumbing fixtures modern and home recently decorated throughout. Completely furnished in the most attractive and impressive manner. Furniture will be included or reserved, whichever purchaser desires. Caretakers home also fronting on lake has 6 rooms with bath, furnace heat, large porch. These 2 homes are ready for immediate possession. There is also a new silo and other small buildings.

METHOD OF SALE
This beautiful estate has been divided into 10 parcels consisting of the main residence with suitable acreage on lake, caretakers home, and 8 other parcels all fronting on Voltz Lake ranging in area from 5 to 20 acres, including timber land. It will first be offered in individual parcels, then as a whole, to determine the highest bid or bids obtainable. Take advantage of this rare opportunity to buy choice acreage on a lake so close.

DEVELOPERS OR BUILDERS
Great possibilities lie in the development of this estate as an exclusive and high class residential area. Comprising the entire east half of Voltz Lake, it is bounded on East by Lake Shangri-La with 154 private homes, on North by Our Country Club golf course, and Benedictine Fathers Seminary is on the South. It is ideally adapted to use as a Country Club, a Retreat or Seminary, or anything of an institutional or religious nature.

DIRECTIONS
Take U. S. 45 to one mile North of the Illinois State Line, then turn west on Route V, 2 miles to the Estate on Voltz Lake, or just north out of Antioch, Ill., and follow auction signs.

TERMS
1/4 cash payable at sale, 1/4 when guarantee policy is delivered. Terms can be arranged on the balance if desired.

For inspection or information call T. J. Stahl Co., Waukegan, Ill. Phone: Majestic 237 or 683, or S. L. Brenner, 100 N. LaSalle, Chicago, Ill. Phone: Randolph 4477 or Bristol, Wis. 2-R-4.
